Tender Enquiry

Sub: PAN India Road Transportation of all type of fertilisers from NBCL Plant 1,2,3 & 4 Gujarat to Various Destinations in Different States

Dear Sir,

NBCL a leading fertilizer manufacturer with four manufacturing plants near Ahmedabad, invites tenders from reputed and experienced transporters for the transportation of all types of fertilisers from NBCL Unit 1,2,3 & 4 to various destinations across Gujarat, Maharashtra, Madhya Pradesh, Punjab, Rajasthan, Telangana, Karnataka, Andhra Pradesh, and Uttar Pradesh. More information about NBCL is available at www.nbclindia.com. NBCL is in the process of appointing Transport Contractors for movement of all types of Fertilisers in Trucks from NBCL Plants, Gujarat to various destination in different States, across the Country. The details in respect of the proposed Tender are furnished hereunder.

1. SCOPE OF WORK

- 1.01 The scope of services to be rendered by the successful Bidder(s) against this Tender Enquiry shall be the transportation of all Fertilisers which are packed in 25kg / 50kg bags, by Trucks from NBCL manufacturing units 1,2,3 & 4 (**Refer annexure-D for Plant address**) to various destinations across Gujarat, Maharashtra, Madhya Pradesh, Punjab, Rajasthan, Telangana, Karnataka, Andhra Pradesh, and Uttar Pradesh.
- 1.02 The Contractor / Bidder must have been registered under 'Goods Transport Agency' (GTA) Category for GST Purposes.
- 1.03 The Contractor shall be responsible for the Fertilizers handed over to him for Transportation, from the time the bags are loaded into the Truck, till it reaches the final destination / Delivery point and delivered in good condition to the Consignee(s). On delivery of material at the designated delivery point, the Contractor shall obtain an acknowledgement duly signed and stamped by the Receiving Party/ or its Authorized Representative.
- 1.04 **The scope of Services shall include generation of the required E-Way Bill before the Trucks are loaded / dispatched from NBCL Plants.** The scope of Services will also include taking transit risk insurance cover for the material up to the specified destinations of NBCL. The Contractor / Transporter shall ensure that while the Trucks are in Transit, all required documents including E-Way Bill remain valid and are readily available with the Truck Driver, for inspection enroute, by the concerned Authorities. In case, any necessity of revalidation/ Extension of E-Way Bills already issued from NBCL plants arises, the Transport Contractor shall ensure that such requirements are immediately complied with / communicated to the originating Point for revalidation. It shall be the responsibility of the Bidder to ensure that all statutory requirements on the vehicles being used for execution of this Contract are duly complied, including comprehensive insurance on vehicles and Road tax and other taxes whatsoever in nature, if any, on inter state movement of trucks etc. No increase in rates would be permissible in the event of increase in such charges.

- 1.05 **Rates are to be quoted in Indian Rupees on Per Metric Ton / destination basis.**
- 1.06 Bidders are required to go through the documents thoroughly and ensure that the submission of Bids are strictly as per the terms of this Tender Enquiry.
- 1.07 Bidders may quote their best rates for road Transportation for all the States mentioned in the attached **Annexure-B**. Please note that Bidders are required to quote separate Rs/MT/Destination to be applicable for each State, district-wise.
- 1.08 **Inter-Plant Loading:** The bidder/transporter shall be required to undertake loading not only from the designated primary plant but also from other manufacturing units/plants of Narmada Bio Chem Limited (NBCL), as and when instructed by NBCL, for the purpose of inter-plant transfer or for delivery to the final destination.
- For Example: - It may happen that part of the cargo is to be loaded from NBCL Unit-1 and the remaining part from NBCL Unit-4, or from any other NBCL plant as per operational requirements. The transporter must ensure proper coordination and arrangement of vehicles accordingly to complete such split loading in a timely and efficient manner.
- The rates quoted by the transporter shall be inclusive of such inter-plant loading operations unless specified otherwise. No additional claims shall be entertained on account of such loading arrangements.
- Failure to comply with inter-plant loading instructions may lead to penalties and/or disqualification from the contract.
- 1.09 **Multi-Delivery Consignments:** The transporter may also be required to deliver a single consignment to multiple delivery destinations (multi-drop deliveries) within same district/same state. It shall be the transporter's responsibility to ensure accurate and timely deliveries as per the consignment instructions and delivery challans issued by NBCL.

- 1.10 In case of consignments requiring delivery at multiple destinations within the same district or state under a single indent, the Contractor shall be entitled to an additional payment of **Rs. 50/- (Rupees Fifty only) per Metric Ton for per additional delivery**, over and above the approved freight rates. This additional charge shall be applicable towards compensation for the extra handling and logistical efforts involved in executing multi-point deliveries.
- 1.11 **Goods Integrity:** It shall be the sole responsibility of the transporter to ensure that the goods are delivered in the same condition as loaded at the plant. Any loss, damage, spillage, pilferage, or deterioration in packaging during transit shall be liable to be recovered from the transporter as per NBCL's policy and applicable penalty clauses.
- 1.12 **Vehicle deployment** - Upon receipt of the dispatch advice, the transporter must ensure vehicle placement within 24 (twenty-four) hours. In the event of failure to lift the advised quantity within the stipulated time, a penalty of ₹100 (Rupees One Hundred) per Metric Ton per day/per vehicle shall be applicable for the delayed quantity. This penalty shall be recovered from the transporter's invoice or adjusted against any payments due from NBCL.

2. TENURE & QUANTITY:

- 2.01 The tenure of this proposed Contract will be for a period of 12 (Twelve) months from the date of award of Contract, with a provision to extend the same for a further period of 3 (three) months at NBCL's option. Notwithstanding the same, the tenure of the Contract could be extended further, on mutually agreed rates, terms and conditions.
- 2.02 The details of State-wise total quantity of all types of Fertilisers, likely to be handled during the Contract period will be as mentioned in **Annexure C**. The Quantities have been estimated on a tentative basis and hence may vary at the time of award of Order. Once the Contract is awarded, the Contractor shall be obliged to undertake the Transportation Services on the terms and conditions laid down in the NIT/ Work Order and the rates determined therein shall remain firm during the entire period of Contract including any extension thereof, except for the escalation as may be specifically spelt out therein.

2.03 The Quantities mentioned in **Annexure C** are on estimation basis. Even if the actual quantity moved to any State being lower than the original estimation, the Contractor shall not be entitled to any compensation whatsoever. The Payment to the Contractor shall be based on the actual quantity (weight) transported, which may please be noted.

2.04 During the tenure of the contract, the Contractor will not stop the work at any stage under any circumstances whatsoever. The Contractor will have to take all required steps to prevent any loss and / or damage / theft / pilferage of whatsoever nature, to the Consignment received by him from NBCL during the period the same is in his charge i.e. till it is delivered to the Consignee(s) at the specified delivery point / location.

2.05 However, in case of delay in transshipment beyond reasonable period, a penalty of Rs. 500/- plus GST, per truck will be imposed. Only in case of accident the penalty will be waived on submission of sufficient proof of accident i.e. FIR lodged etc. with the approval of competent authority.

by the contractor, while transporting NBCL Fertilisers to the destination.

- 6.02 Further, in the event of Contractor's delay in execution of Transportation or breach of any other terms of contract due to reasonable cause, the Contractor / Transporter must inform NBCL with justification within 30 days from the date of Contractor's invoice or date of completion of work whichever is earlier. In case no such request / justification is received by NBCL within the permissible time limit, it shall be presumed that the Contractor has no reasonable cause for delay and shall be held liable for the losses caused due to delay in execution / breach of contract. Necessary action shall be taken by NBCL authorities accordingly including any deductions / penalties as may be deemed fit.
- 6.03 Representations if any, on the matter of delay in execution of Transportation or breach any other terms of contract by the Contractor may be considered on its merit on a 'case to case' basis by NBCL. In case, the reasons for the default is not found justifiable, all the Recovery / Deductions mentioned in this Contract would be applicable. Such deductions would also attract GST at the extant rate (currently 18%).
- 6.04 In the case of the termination of the Contract due to unsatisfactory performance, NBCL reserves the right to get the incomplete jobs done at the risk and cost of the Contractor and all such cost shall be recovered from the Contractor's bills or otherwise. The deductions / recoveries from the Contractor shall be for the following:
- i) Damages for delayed delivery of the Fertilisers at the Destination.
 - ii) Compensation for shortage, damages, pilferage, loss of material or any other such account.
 - iii) Any other payment made by the NBCL on behalf of the contractor.
- 6.05 NBCL reserves the right to terminate this contract without any liability, by giving 15 days written notice provided however it shall be obligatory on the part of the contractor to complete the contractual obligations during the period of such notice.

7.0 ACCIDENT LIABILITY:

- 7.01 The Contractor shall be liable for any damage / injury / loss caused to NBCL's employees or any other person or persons etc., due to negligence of the Contractor and / or his employees. Further, NBCL accepts no responsibility for any injury to any person, whether contractor's employee or otherwise, caused due to carriage of fertiliser by the Transporter.

8.0 DELAY/ FAILURE:

- 8.01 The Contractor shall deliver the material to the Consignee at the destination as per the instructions of the Consignor within 2 days from the date of dispatch if the destination is within the State of Gujarat. For other destinations, outside Gujarat State the transit time would be allowed based on average 400 Km/Day. NBCL is also entitled to recover such costs, damages, charges as may be necessary due to any delay in delivery/receipt of acknowledgment. Penalty for delayed delivery beyond the normal transit time (based on average distance of 400 Km/ Day) will be Rs. 2000/- plus GST per day per Truck.
- 8.02 In case of damaged material received at the destination, the cost of damaged material shall be recovered from the transporter. The acknowledgement from the consignee on Dispatch Invoice/ Stock Transfer Order/ Delivery Challan should bear Consignee's stamp / seal along with signature of its Authorised representative. The acknowledgement from the Consignee on Dispatch Invoice/ Stock Transfer Order/ Delivery Challan mentioning the receipt of Qty., the date and time along with signature of its Authorised representative under their seal/stamp shall be submitted along with the bills to the concerned State Office of NBCL. No payment shall be released without the Dispatch Invoice/ Stock Transfer Order/ Delivery Challan duly acknowledged by the Consignee.
- 8.03 The Contractor shall be responsible for the goods against damage, shortage, deterioration, loss, pilferage etc. occurring for any reason whatsoever during the Transportation. The carrier shall keep NBCL fully indemnified on this behalf, cost of any shortage, loss deterioration or pilferage shall be recovered at the 150% of the MRP plus GST.
